OHIO FEED REGISTRATION APPLICATION

A separate registration is required for each facility engaged in the manufacturing and/or possible distributing of commercial feeds.

Section 923.42, Paragraph (A) of the Ohio Revised Code states that, "No person who manufactures commercial or customer-formula feed or whose name appears on the label of any commercial feed or customer-formula feed as a distributor shall distribute in this state any type of commercial feed unless he is registered with the Director of Agriculture on a form provided by the Director that identifies the manufacturer's or distributor's name, place of business, and location of each manufacturing facility in this state."
