

Equine Infectious Anemia Virus (EIAV) Testing During the 2015 All-American Quarter Horse Congress

The Ohio Animal Disease Diagnostic Laboratory (ADDL) will provide EIAV testing 7 days a week, from Wednesday, September 30th until Sunday, October 25th for the duration of the 2015 All-American Quarter Horse Congress. Samples can be dropped off from 8AM to 5PM, M-F during the normal workweek for the laboratory. Please be reminded that the EIAV ELISA test is a SAME day test, however, samples received into the laboratory after 12 noon weekdays will not be run and reported until next day. Weekend/Holiday testing is described below.*

Sample Submission Protocol –

1. Serum samples for EIAV testing must be collected by a veterinarian that is licensed and accredited by the State of Ohio. Paper work must be filled out completely and included with samples. Please use the Ohio Equine Infectious Anemia Test Record #AGR0251 for EIAV test requests.
2. Please include “Quarter Horse Congress” written at the top of the form above the owner’s name.
3. Results will be faxed to the Congress Hall office at 614.294.0246.

*To accommodate weekend/holiday (October 12th) testing needs, please follow the protocol listed below –

1. Samples MUST arrive at the ADDL by 10AM for same day testing. Results will be faxed by 1PM same day.
2. Testing and delivery of samples MUST be arranged by the owner/trainer with Anne Parkinson from the ADDL at 614.989.8036.
3. Delivery of samples to the ADDL is the responsibility of the owner.
4. A fee of \$75 per accession will be assessed for weekend/holiday submissions – in addition to the accession fee of \$8.00 and test fee which is \$5.50 per test.
