

The Ohio Department of Agriculture

Center for
Veterinary Medicine

Participate in our *Salmonella* study and receive a \$15 Walmart gift card!

- The Ohio Department of Agriculture - Animal Disease Diagnostic Laboratory is collaborating with the FDA to evaluate the prevalence of *Salmonella* in dogs and cats.
- What we need from you:
 - A fecal sample from your pet.
 - A completed questionnaire.
- What we provide in exchange for your participation:
 - A free *Salmonella* fecal culture with the test results reported to your veterinarian.
 - A \$15 Walmart gift card.
