

Ohio Department of Agriculture - LAEPP
2014 Clean Ohio Local AEPP Applications Received Report
Exhibit D Instructions

Exhibit D to ODA-Local Sponsor Cooperative Agreement:

All applications submitted to ODA as either a hardcopy or as an electronic version for a “helper” farm in 12C on the landowner application must be listed on Exhibit D. The Exhibit D spreadsheet shows the ranking for all landowners that applied to local sponsors under the 2014 LAEPP. The first farm listed must be the highest ranking farm and all subsequent listing will show the next highest ranking farm until all farms are listed. This information will be used to report to the Advisory Board how many total landowners applied during this funding round and how the funds are proposed to be distributed including planned local sponsor and Agricultural Conservation Easement Program (ACEP - formerly FRPP) contributions.

This report must accompany your landowner application(s) submitted to ODA preferably emailed in an Excel format.

Below are some general instructions for completing the report:
