RE: Recall Announcement (ODA/ODH) 2015-12

B&M, Inc. Issues Allergy Alert on Undeclared Peanut Protein in Ground Cumin and Other Seasonings Sold at Target and the Fresh Market Nationwide due to Potential Undeclared Peanut Protein

B&M, Inc. of Mount Vernon, Missouri is recalling certain seasoning blends that contain ground cumin that may contain peanut, an allergen that is not declared on the products' ingredient statements. People who have an allergy or severe sensitivity to peanuts run the risk of serious or life-threatening allergic reaction if they consume these products. The recalled products have been distributed by and are sold by Target and The Fresh Market.

B&M, Inc. was notified by one of their suppliers that one lot of Cumin Ground Conventional and some of the seasonings containing this lot had potentially been contaminated with peanut protein. The products were shipped to retailers from December 1, 2014 through January 7, 2015. The following products with lot codes and Best By dates are subject to the recall.
